

EFHA REGISTRATION GUIDE

2024 Registration for the EFHA 2024-2025 season will open by June 1, 2024 at 9am.

All U7- U18 players looking to play on an all-female team will register with the Edmonton Female Hockey Alliance (EFHA) for the 2024-25 season.

Prior to registration, all players who did not play with EFHA last season will need to be transferred from their home organizations to EFHA; please complete the [Intent to Register with EFHA Form](#) so that players can be transferred in advance of registration opening.

Intent to Register with EFHA Form

See below for registration instructions.

Online Registration: The link to the online registration will be posted on the EFHA website and social media sites on June 1, 2024, after 9 am. Early bird registration fees will be in place from June 1 to June 30.

***Registration Process - Players who wish to try out for U13 AA, U15AA or U18AA**

You must be an Edmonton resident to tryout for an Edmonton AA team for the first tryout.

Please see here for the AFHL Recruitment Areas if you do not reside in Edmonton- [Recruitment Areas](#) | Alberta Female Hockey League (AFHL)

Tryouts for AA players: If you have not played with EFHA previously, please fill out the [Intent to Register with EFHA Form](#) prior to registration. You will not be able to register until the player's HCR file has been transferred/shared.

If you previously registered with EFHA, please register for the AA tryout for your correct age group. You will only register for the tryouts at this point. After tryouts, depending on where the player ends up, you will then go in and register for the corresponding season registration.

***Registration Process: Players who wish to register for EFHA U7- U18 Tiered Teams.**

Players Returning to EFHA- Please register through the online registration link found on the Website and Social media sites starting June 1,2024 after 9 am.

Players who are new to EFHA, but played with a different association last season or who are new to hockey (have never played before):

Please ensure you fill out the [Intent to Register with EFHA Form](#). You will not be able to register prior to completing this step.

***Registration Process - Players who live outside of Edmonton, but do not have a female team to play with (Imports):**

This does not apply to players wanting to tryout for a AA team.

Online Registration: NOT AVAILABLE until preliminary documents are received. Please fill out the [Intent to Register with EFHA Form](#) and complete the steps there.

Please obtain a signed Player Movement Form from your home association and submit it to registrarefha@hockeyedmonton.ca

Other Information:

Play with a Friend Requests:

*EFHA will consider “play with a friend” requests for U7-U18 Tiered/Community Teams only.

*To request to play with a friend, please note which player(s) you would like to play with at the time of registration.

*Please note the following criteria for play with a friend requests:

- Requests will be considered when friends evaluate in the same tier.
- Requests are considered and are not guaranteed.

Coaching:

Expressions of interest to Coach will be collected during the registration process.

Respect in Sport for all age groups:

Respect in Sport - Parent is mandatory for all players. In order to register your child for hockey, you must complete the Respect in Sport - Parent online course.

Important things to know:

- You must recertify every four (4) years (parents, coaches, bench staff, everyone)
- If you formerly completed the course and will be registering a child for hockey that has never participated in hockey before, you will be required to sign-in to the Respect in Sport website and add your child. This cannot be done by the EFHA and is the only way your child's Hockey Canada profile will be updated with the Respect in Sport - Parent qualification.
- If you completed this program in the past for another sport, you need to contact the Respect in Sport representatives to have the qualification transferred to Hockey Canada
- **Respect in Sport - Parent and Respect in Sport - Activity Leader** are not interchangeable. The Parent course attaches to the player's Hockey Canada profile and is required for player registration. The Activity Leader course is required for all bench staff and cannot be used for a player's registration.

If you would like to update your RIS, check to see if your RIS is valid or transfer over your RIS from another sport please use this link: [Respect in Sport for Hockey Canada Parents - Getting Started \(respectgroupinc.com\)](https://respectgroupinc.com)

Your player will not be able to begin tryouts/evaluations until a current Respect in Sport is registered on your player's Spordle account. If there are any issues, please contact the Respect in Sport Help Desk here: [Respect Group Help Desk and FAQ](#)
